

Palatine Children's Chorus

The Palatine Children's Chorus begins its 24th season this September. Our singers, ages 4 through 18 from the greater Palatine area enjoy a variety of musical opportunities in the Treble, Intermezzo, Concert, and Honors Choirs. The Chorus nurtures the natural abilities and interests of children who love to sing and stresses the importance of each individual as an important part of our entire ensemble. Our traveling choirs have performed at New York's famed Carnegie Hall (1999), Niagara Falls, Montreal, and Quebec in Canada (1997 and 2003), throughout Great Britain (2001), in Hawaii (2005), Austria and Venice (2007), San Francisco (2008), and the historic Grand Ole Opry (2010). They have also performed for the Chicago Cubs, Chicago White Sox, at Lincoln Park Zoo, and at the Illinois State Fair, and with the Joffrey Ballet as well as many local Palatine-area venues. Holiday concerts will be held on December 8 and 11 at Cutting Hall.

Just Once Piano for Busy People

Some music teachers may not want you to know this, but you don't need years of weekly lessons to learn piano. In just a few hours, you can learn enough secrets of the trade to give you years of musical enjoyment. How do we do it? While regular piano teachers teach note reading, piano professionals use chords. And you can learn all the chords you'll need to play any song in this one session. Any song. Any style. Any key. If you can find middle C and know the meaning of Every Good Boy Does Fine, you already know enough to enroll in this workshop. Total beginners can request a free pamphlet by sending a SASE to Innovative Keyboard Instruction, 2841 S. Southwind Drive, Gilbert, AZ 85295.

Class Act

Young and aspiring actors will develop their acting, singing, and dancing skills while working on the musical, "Night at the Wax Museum". The hysterical meets the historical in this comic romp through the wackiest wax museum in history! School's out for summer, but not for six unlucky students who don't know much about history - they have to re-take the class in summer school. Their teacher has arranged for them to help her two aunts set up a new wax museum as a class project. Though the student's eyes glaze over with boredom, there's a twinkle in the wax figure's eyes when a mysterious incantation from the back of Cleopatra's bracelet brings them to life! King Henry VIII finds himself smitten with Cleopatra, making his queen, Anne Boleyn, furious. If she can just not lose her head, John Adams is there to serve as her divorce attorney! When Butch Cassidy, the Sundance Kid, Blackbeard and a bevy of lady pirates show up, everybody's out for one thing - treasure! Supposedly, there's a mighty valuable one hidden in the museum! It's a wild goose chase to find it, with a greedy museum landlord and her bumbling son joining in the mad search. And why is Lizzie Borden lurking in the shadows, since the aunts say they never had a wax figure of her? The magic of history comes alive - literally!

Students will be asked to help provide simple props and costumes for the production. Our final presentation will be at Cutting Hall on November 13. Depending upon class enrollment, we may have 1 or 2 shows.

A completed rehearsal and show schedule and all other class requirements will be distributed in class. All students enrolled will be expected to attend the special rehearsals.
