  - 2) This subsection shall not apply to Permits granted under section 2.33 of this Ordinance for news racks or newsstands. Such Permits shall be issued for a period of six (6) months.
- M) For uses involving the exercise of First Amendment rights, the District may waive any application or permit fees if the applicant demonstrates that the cost of such fees is prohibitive. An applicant must request such a waiver in writing.
- N) For purposes of this section 5.01, the term "exercise of First Amendment rights" shall include, without limitation, parades, marches, demonstrations, rallies, religious services, speeches, solicitation of votes, petition signatures or contributions, picketing and leafleting.

Section 5.02. Insurance and Hold Harmless Agreement.

- A) Except as provided in subsection 5.02(A)(1), every applicant for a Permit shall acquire general liability insurance to protect himself and the District from liability resulting from his use of District Property and provide proof of such insurance to the District before the District will issue a Permit to an otherwise acceptable applicant. The District must be named on such policy as an additional insured. Where possible, an applicant may acquire a rider to the District's insurance policy at the applicant's cost and expense. Applicants should contact the District's administrative office for more information.
  - 1) For uses involving the exercise of First Amendment rights, including without limitation parades, rallies, religious services, solicitation of votes, petition signatures or contributions, picketing and leafleting, the District may waive the requirement of insurance if the applicant demonstrates that he or his organization cannot procure general liability insurance or that the cost of procuring such insurance or acquiring a rider to the District's insurance policy is prohibitive. An applicant must request such a waiver in writing.
- B) Every applicant must execute and deliver to the Park District an agreement to indemnify and hold the District harmless from legal liability, property damage or injury to persons caused by the negligent or unlawful acts of the applicant or any member, volunteer, employee, agent, participant, or other Person associated with the applicant or his group or organization.

Section 5.03. Restoration Deposit.

- A) The District may require payment of a restoration deposit as a prerequisite to the issuance of a Permit. The District shall refund the deposit if the Person responsible for the permitted use cleans any refuse caused or left by the use or the use's participants and restores District Property to the condition it was in prior to the use to the District's satisfaction. If the District is required to clean up or restore District Property after the permitted use, the Person responsible for the permitted use shall reimburse the District for all costs and expenses associated with the clean-up and restoration. The cost of the clean-up and restoration shall be deducted from the restoration deposit. If there are any funds remaining after the cleanup and restoration costs have been paid, they shall be returned to the permittee. If the costs and expenses for the clean-up and restoration exceed the amount of the restoration deposit, the District reserves the right to bill the permittee and to pursue any and all legal options.

- B) For uses involving the exercise of First Amendment rights, the District may accept a written agreement to clean up and restore District Property after the permitted use in lieu of the restoration deposit if the applicant can demonstrate that payment of a restoration deposit would create an undue financial hardship. An applicant must request this arrangement in writing. If the permittee does not satisfactorily perform according to the agreement, the District reserves the right to bill the permittee and pursue any and all legal remedies.

Section 5.04. Other Authority. Activities otherwise prohibited under this Ordinance, or any other District ordinance, policy, rule, or regulation may be conducted or engaged in by a Person, his agents and/or employees, if done in strict conformance with the provisions of an agreement with the District that has been duly authorized by the Board.

Section 7.01.1 Suspension.

March 14, 2017 amended and board approved:

Any Person violating or disobeying any section or part of this Ordinance, as may be amended from time to time, or any other District ordinance, policy, rule, or regulation (collectively, "District Rule(s)"), may have his admission rights to District Property suspended in accordance with this Section 7.01, and may be subject to any other penalties specified in this Ordinance.

A. Procedure for Suspension of Rights.

In the event that: (i) a Person violates any District Rule, and (ii) the Executive Director or his/her designee (collectively referred to as the "Director" for purposes of this Section 7.01) determines the Person's continued presence on District Property creates a threat to the public's health, safety or welfare while on District Property, including but not limited to crimes of violence against persons or property, or when the behavior is enough to alarm or disturb a reasonable person, the Director may verbally order the Person to leave District Property and to refrain from usage of all District Property until further order of the Director in accordance with the following suspension policy.

1) Notice

Within 72 hours after the order to leave District Property, the District will provide the Person written notice by registered or certified mail (1<sup>st</sup> Notice), informing the Person of:

- a. The nature of the offense;
- b. The threat to the public's health, safety or welfare while on District Property caused by the Person's offense, including but not limited to crimes of violence against persons or property, or when the behavior is enough to alarm or disturb a reasonable person, and related conduct;
- c. The intended suspension period for the offense;
- d. An explanation of the facts that form the basis of the proposed suspension;
- e. Instructions for setting a date and time for a meeting with the Director and an appropriate Superintendent selected by Director to discuss the offense and to provide the Person an opportunity to present his or her version of the incident; and
- f. Copy of the procedure to appeal to Board to conduct a Suspension Hearing in accordance with Section 7.01(a)(4)-(7); and
- g. That the Person is not to return to any District Property until such a meeting as aforesaid occurs, and if found doing so, he may be arrested and/or prosecuted for "trespass" as set forth in Section 7.01(b), below.

(2) Meeting

At the meeting with the Director and Superintendent, items (a)-(f) above will be discussed on an informal basis. The specific offense(s), evidence, and suspension, if any, will also be discussed. The Person will also have an opportunity to present his or her version of the incident at this meeting. In the event the Person does not comply with Section 7.01(a)(1)(e) and fails to set a date and time for a meeting within ten (10) days after receipt of the 1<sup>st</sup> Notice, the intended suspension period set forth in the 1<sup>st</sup> Notice shall immediately become effective.

(3) Second Notice

Within forty-eight (48) hours after the meeting with the Director and Superintendent, the District shall send written notice ("2<sup>nd</sup> Notice") to the Person stating (a) the suspension, if any, and any conditions that the Person must meet to prevent further risk to the public and to regain use of District Property and, (b) the Person's right to appeal the suspension, as set forth below.

(4) Appeal to Board

If the Person objects to the suspension imposed or wishes to notify the District of extenuating circumstances not taken into consideration by the Director and the Superintendent, or if the Person believes he or she is not guilty of the offense as charged, the Person may request a hearing before the Board. The Person's request must be in writing and must be filed with the Board Secretary or his/her designee or the Board President within 10 days after the date of the 2<sup>nd</sup> Notice and should include the following information: a) the Person's contact information, including ad-

dress, telephone number and email address; b) date of issuance of the 1<sup>st</sup> Notice and location; c) reason for being on District Property at the time of the incident; d) any other information Person wishes to be considered; and e) whether a hearing is requested. In the event the Person appeals the suspension under this Section to the Board: a) the suspension shall continue until the Board makes a final decision; and b) the Director shall promptly transmit to the Board a full report in writing of the facts related to the suspension, the suspension imposed, and the reasons for the suspension imposed.

(5) Board Hearing

In the event the Person requests a hearing, the Board shall meet with the Person, Director and Superintendent within 10 days of the date on which such appeal notice is given to the Secretary of the Board ("Suspension Hearing"). The Person will be notified in writing as to the date and time set for the Suspension Hearing. The Suspension Hearing shall be conducted in an open meeting in accordance with the Open Meetings Act (5 ILCS 120/1 et seq.) ("OMA") unless an exemption to hold the Suspension Hearing in closed session pursuant to OMA applies based on the nature of the offense. At the Suspension Hearing, the Board shall receive testimony in accordance with the standard Illinois rules of evidence, presented by all interested parties and shall render a fair and impartial determination in accordance with its independent findings regarding the facts and the applicable standards for review set forth in this Section.

(6) Standard for Determining Suspension and Suspension Duration

If the Board finds and determines from its independent review of the facts and circumstances presented at the Suspension Hearing that the Person or the Person's conduct represents a continuing material threat to the public's health, safety or welfare while on District Property, it shall uphold the suspension imposed by the Director.

The scope and duration of any suspension from District Property, and the nature and scope of the suspension, shall be determined based on the Person's conduct causing the violation, the nature of the offense, whether it is the Person's first, second, third or greater offense, and any other facts or circumstances that demonstrate whether or not the Person remains a threat to the public's health, safety or welfare while on District Property.

(7) Notice of Finding

If, in the opinion of the Director, the Person remains a threat to the public's health, safety or welfare while on District Property at the end of any suspension period authorized hereunder, the Director may request a new hearing before the Board to extend said suspension the "Suspension Extension Hearing"). The Notice, hearing, standard for review and decision process shall be governed by the same rules as set forth above for the Board hearing (Sections 7.01(a)(3)-(6)), provided that the Director shall give written notice to the Person and to the Board ("Suspension Extension Hearing Notice") not less than 30 days prior to the Suspension Extension Hearing. Upon a finding by the Board that the Person remains a material threat to the public's health safety or welfare while on District Property, the Board may extend the suspension for an additional period of not more than five (5) years.

(8) Trespass

If a Person who has been notified in accordance with Section 7.01(a) is observed on District Property, the Person may be subject to arrest for criminal trespass in accordance with Illinois law.

Section 7.02. Restitution. In addition to, or instead of, the fines and penalties provided for in Section 7.01, any Person violating or disobeying any section or part of this Ordinance, or any other federal, state, local, or District law, rule, or regulation, may be required to make restitution for damage resulting from such violation(s). The provisions of the Illinois Parental Responsibility Law (740 ILCS 115/1 et seq.) are specifically incorporated in this Ordinance by reference for purposes of this section.

Section 7.03. Seizure/Removal/Impoundment of Property. Any property, substance or thing brought into, utilized, placed, or left on District Property in violation of this Ordinance, or any other District ordinance, rule, or regulation may be removed, seized, and destroyed in the case of property and substances referred to in Section 2.02, Alcoholic Liquors, 2.03, Animals and Pets, , and 2.39, Weapons, Firearms, Explosives, Rockets, or seized and impounded in the case of any other property, substance or thing (including without limitation Vehicles and bicycles). Property so impounded shall not be returned to the owner(s) thereof until such Person(s) shall have provided the District with acceptable proof or evidence of

ownership and until such Person(s) shall have reimbursed the District in full for all costs and expenses to the District of such impoundment including without limitation any removal and storage charges. Property not claimed by the rightful owner(s) thereof within sixty (60) days after such impoundment may be sold by the District which shall be entitled to the entire proceeds thereof, or otherwise disposed of, provided that any motor vehicle towed and/or impounded shall be disposed of according to the applicable laws of the State of Illinois.

Section 7.04. Non-Exclusivity of Penalties. The penalties provided for in this Chapter VII are in addition to and not exclusive of any other remedies available to the District as provided by applicable law. Each of the penalties provided for in this Chapter is not exclusive of any of the other penalties provided in this Chapter and such penalties may be imposed singly or in any combination permitted by law.

#### **CHAPTER VIII - REPEAL**

All District ordinances, resolutions, policies, rules and regulations in conflict or inconsistent with any of the provisions of this Ordinance are hereby repealed.
